

The ballad og John and Yoko

Standing in the dock at Southampton Uh
Trying to get to Holland or France Uh
The man in the mac said oh yea
"You've got to go back" oh yea
You know, they didn't even give us a chance oh yea, oh yea
Christ, you know it ain't easy
You know how hard it can be
The way things are going
They're going to crucify me

Drove from Paris to Amsterdam Hilton Uh
Talking in our beds for a week Uh
The news people said oh yea
"Say, what you doing in bed?" oh yea
I said, "We're only trying to get us some peace" oh yea, oh yea
Christ, you know it ain't easy
You know how hard it can be
The way things are going
They're going to crucify me

Saving up your money for a rainy day
Giving all your clothes to charity
Last night the wife said
Oh boy, when you're dead
You don't take nothing with you but your soul
Think!

Made a lightning trip to Vienna na na na
Eating chocolate cake in a bag na na na
Newspapers said oh yea
"She's gone to his head" oh yea
They look just like two gurus in drag" oh yea, oh yea
Christ, you know it ain't easy easy it ain't
You know how hard it can be hard it can be
The way things are going uh la la la uh
They're going to crucify me Crucify me

Saving up your money for a rainy day
Giving all your clothes to charity
Last night the wife said
Oh boy, when you're dead
You don't take nothing with you but your soul
Think!

Caught the early plane back to London na na na
The men from the press oh yea
Said, "We wish you success" oh yea
It's good to have the both of you back" oh yea, oh yea
Christ, you know it ain't easy easy it ain't
You know how hard it can be hard it can be
The way things are going uh la la la uh
They're going to crucify me Crucify me

The way things are going uh la la la uh
They're going to crucify me Crucify me

All we ara saying, is give peace a chance
